No casket burial is permitted in a full-size or child lot after cremated remains have been interred in that lot, as per the Cemetery Management Bylaw.

It is also understood that the payment above is for the right of interment only and does not include fees for preparation and placement of remains, cemetery products, or other charges, and is subject in every way to the Cemetery Management Bylaw.

It is further understood and agreed that the rules of the District of Hope are made part of this agreement, as per the Cemetery Management Bylaw, as they may be in effect at the time of purchase or as they may be amended from time to time hereafter.

Copy of the Cemetery Management Bylaw is available upon request. Right of interment contract is not deemed final until signed by both parties and payment of fees is received. Payment is due upon signing of contract.

RIGHT OF INTERMENT

A right of interment for any unused lots may be transferred to a family member at the discretion of the Administrator. The interment right holder or executor must supply this request in writing and the original interment right must be surrendered to the District. Fees, payable to the District, associated with an interment right transfer may include:

- a) an administration fee;
- b) the difference between fees paid originally and current fees if there has been a change in residency status; and
- c) The difference between fees paid originally and current fees if there have been changes in fee rates.

An interment right holder shall either reserve the right to use that lot for themselves or authorize another person to be interred in the lot to which the interment right refers. An interment right holder may only designate one lot for their own use.

A right of interment may be surrendered to the District at the discretion of the Administrator. A refund, equal to the purchase price less the maintenance fund contributions, will be issued to the interment right holder provided:

- a) There are no interments in the designated lot;
- b) The interment right holder or his executor provides written notice to the District for intent to surrender the right;
- c) The original license or right of interment is surrendered;
- d) An administration fee is paid; and
- e) Any fees associated with the removal of any memorial that is on, or embracing the surrendered lot, is paid.

Upon approval of the Administrative Authority a right of interment may be reclaimed by the District if:

- a) The interment right holder would be at least 90 years of age;
- b) A minimum period of 50 years has elapsed from the date of purchase;
- c) A minimum 90 days has passed since notice of intent to reclaim has been sent to the interment right holder;
- d) The District has made diligent attempts to contact the interment right holder
